The Supdg Engineer Shimoga Circle has proposed that the cost which will not exceed Rs 50 in each case may be met from the Village Panchayat Fund, as the annual repair grant from which the Board otherwise be met is not sufficient even for carrying out the ordinary maintenance.

NAME BOARDS TO ROAD SIDE VILLAGES.

I have the honor to state that G.O. No. R.1378-97/L.R.547-26-2 dated 22nd August 1927 lays down that the cost of the above name stones may be met out of State Funds and District Funds in the case of Provincial and District Fund Roads respectively. But the cost of each name board according to the design prescribed by Government will exceed Rs 50. In almost every mile there is one or more villages and it is clear that it will not be possible to meet the cost of the name boards from the mileage allotments as they are not sufficient even for road maintenance. I therefore request that Government may be moved to make the villages concerned to pay the cost of the Boards from the respective Village Panchayet funds, to which it will be a legitimate charge.
